Section 2

Introduction / Information to Consultants

HMRDC is a joint venture SPV with equal equity participation by the Ministry of Railways and Government of Karnataka with the objective of development, financing, designing, construction, operation and maintenance of the broad-gauge rail link connectivity between Hassan and Mangalore (referred to as 'Project Railway'). The Shareholder's Agreement was signed by the Company with the Ministry of Railways, Government of Karnataka and Rail Infrastructure Development company (Karnataka) Limited on 23rd October 2003. M/s. New Mangalore Port Trust and M/s. Mineral Enterprises Limited have become strategic partners by contributing Rs. 10.00 Crores each towards equity share capital constituting 18% of the total equity share capital of the Company.

For the purposes of implementing the Project Railway, Ministry of Railways (MoR) has granted concession rights to the Company for the above activities vide Concession Agreement dated 18th March 2004. The concession is for a period of 32 years from the date of the Agreement. The Company has been given leasehold rights on the assets, which already existed in the Project Area as part of the earlier railway network up to 23.08.1996 including land (existing & acquired subsequently) for development of the leased assets during the concession period.

In order to fulfil its construction obligations, the Company had entered into a Construction Agreement dated 18th March 2004 with South Western Railway (SWR), whereby SWR were appointed as the Engineering, Procurement and construction (EPC) Agents for the Project Railway. The capital expenditure incurred by the Railways on the Project Railway up to 31st March 2002 was converted and treated as subordinated/unsecured debt payable by the Company to Ministry of Railways.

The Company has entered into an Operations & Maintenance Agreement with South Western Railway on 18th March 2004 whereby SWR has been appointed as the operations and maintenance agency to operate the goods train services on the line and undertake maintenance of project assets till the end of the concession period.

The railway line was commissioned for Operation of freight services in May 2006 after completion of gauge conversion of the Project Railway. For more details, please visit our website: www.hmrdc.com

HMRDC has received multiple proposals for premature track renewals (CTR, TRR, TSR, TFR) and other capital works. As per contractual provisions, renewal expenditure is to be borne only at the end of codal life of the assets; however, several proposals cite accelerated wear and tear of the project assets.

On the other hand, due to fluctuating market demands and restrictive movement of goods trains, the revenue prospects are dwindling while the cost of maintenance is increasing year on year. This warranted devising of a cost sharing mechanism anew, so that HMRDC is not thrust upon additional cost due to wear and tear caused by passenger services.

HMRDC requires independent technical and financial evaluation to assess the necessity, scope, rate of return and appropriate timeline of such proposed capital works, suggest feasible works to create capacity/reduce constraints, and develop a defensible cost apportionment framework distinguishing between impacts of freight and passenger services.

Section 3

Objective & Scope of Work

3.1. Objective:

- **Technical Validation:** Audit pending capital works proposals to determine if they can be safely deferred/ minimised.
- **Capital Work Review:** Review all capital work proposals and ongoing capital works, advising on effectivity, duplication and/or redundancy.
- **Feasibility study:** Suggest works that can eliminate existing restrictions or create new capacity in the section.
- **Maintenance Optimization:** Transition from "ritualistic" maintenance to a data-driven model based on track recordings.
- **Cost Apportionment:** Develop a mathematical model to separate wear-and-tear caused by passenger traffic vs. freight traffic.
- **Liability Limitation:** Review the O&M Agreement to limit legal and financial liabilities regarding premature renewals.
- **The study should be completed and report to be submitted within 12-16 weeks** from issue of work order.

3.2. Scope of Work

I. Phase I: Diagnostic Audit & Immediate Relief

- Conduct detailed inspections (Footplate, Last Vehicle, Trolley, and select On-foot site visits).
- Review historical track parameters and records of past capital works including asset renewals "thrust" upon the company.
- Provide a comprehensive report on the necessity (or lack thereof) of current proposals on asset renewal and other capital works.
- Verify the capital works proposals and categorize as Safety-critical (Immediate), Operationally desirable but deferrable and not presently justified.

II. Phase II: Suggest on Capital investment

- Suggest works proposals with the estimated cost for the same to augment line capacity and reduce restrictions on operations that are in place at present.

III. Phase III: Financial Recovery & Analytics

- Assess actual maintenance needs attributable strictly to freight traffic.
- Build a technical case for adjustment or refund of Track Access charges.
- Develop a practical empirical model for future cost-sharing between freight and passenger operations, including scenario and sensitivity analysis.

3.3. Submission of the Report

- The draft preliminary reports shall be shared for review and discussion, focusing on deliverables and actionable recommendations.
- The final reports shall be submitted only after incorporating feedback and obtaining mutual agreement from all stakeholders.

Whereas **[Name and Address of the Company]** (hereinafter referred to as "the Company") has entered into **Contract No. _____ dated _____** with HMRDC for **[Name / brief description of the contract]** (hereinafter referred to as "the Contract"). As per the terms and conditions of the said Contract, the Company is required to furnish a Bank Guarantee from a Nationalized or Scheduled Bank as security for the due performance and compliance with the contractual obligations.

Accordingly, we **[Name of the Bank / Insurance Company]**, hereby irrevocably guarantee and undertake to pay HMRDC, on its first written demand and without any demur, objection or argument, any sum or sums up to a maximum amount of **Rs. _____ (Rupees _____ only)** in the event of the Company failing to perform or comply with any of the terms and conditions of the Contract. We further agree that HMRDC shall not be required to prove or show any grounds or reasons for its demand, nor shall it be necessary for HMRDC to first demand the said amount from the Company before invoking this guarantee.

We also agree that any change, addition, or modification in the terms and conditions of the Contract, or in the scope of services to be performed by the Company, shall not in any way release us from our liability under this guarantee. We hereby waive notice of any such changes or modifications. The liability of the Bank under this guarantee shall also not be affected by any change in the constitution of the Company or the Bank.

This Bank Guarantee shall be operable through our branch at **Bangalore**, which shall provide confirmation regarding the issuance, extension, or renewal of this guarantee whenever requested. In the event of invocation of this guarantee, the said branch shall accept the invocation letter and make payment of the amount demanded under this guarantee.

Notwithstanding anything stated above, our total liability under this Bank Guarantee shall be restricted to **Rs. _____ (Rupees _____ only)** and this guarantee shall remain valid up to _____. Unless a written claim or demand is made on or before the said date, all our liabilities under this guarantee shall cease. This guarantee shall remain valid for a total period of **9 months, including two months beyond the expiry of the consultancy contract.**

The Bank further confirms that it is registered on the **SFMS (Structured Financial Messaging System) platform** and shall send confirmation of this Bank Guarantee to the designated bank of the beneficiary as detailed below: **Beneficiary Name: HMRDC; Bank Name: Canara Bank, Large Corporate Branch (LCB); Account Number: 1927201010338; IFSC Code: CNRB0002636.**
